A blonde and brunette were watching the 11 o'clock news. The news was about a man about ready to jump off a bridge.

The brunette turns to the blonde and says, "I bet you \$50 the man is going to jump."

The blonde replies, "Okay you're on."

Sure enough, the man jumps, and the blonde gives the brunette \$50.

The brunette says, "Listen, I can't accept this money. I watched the 5 o'clock news and saw the man jump then."

"No, you have to take it," says the blonde. "I watched the 5 o'clock news too, but I didn't think he would do it again."
