FRATERNAL CLUBS NEEDS YOUR SUPPORT

To Governor Strickland

Do not cut the veteran appropriation program.

Should slot machines become legal in Ohio the veteran and fraternal organizations need parity to continue our 501 (C3) work.

← **Q: Should I reduce my alcohol intake?** →

A: No, not at all. Wine is made from fruit.

Brandy is distilled wine, that means they take the water out of the fruity bit so you get even more of the goodness that way. Beer is also made out of grain. Bottoms up!

Q: Doctor, I've heard that cardiovascular exercise can prolong life. Is this true?

A: Your heart is only good for so many beats, and that's it. don't waste them on exercise.

Everything wears out eventually. Speeding up your heart will not make you live longer;

that's like saying you can extend the life of your car by driving it faster.

Want to live longer? Take a nap.
